Beauty Condense of the Menth.

If Grasson doesn't "confess' pretty soon some one of the yellow journal space-writers will confess for him.
They seem bent on earning their salaries, and if they can't get facts they could be supply of cigarettes to her offerers; but the telegram should have made it plain that they were not the four-smelling contin-nails that are destroying on many young men in this country. The Turkish cigarette is made of tobacco, and it is not wrapped in a paper steeped in poison.

A MEETING of Amarchiests was held in New York City a few nights ago, at which threats were made openly to assassinate the Mayor of that city, the Governor of that state, or the Irresident of the United States, in the event that either of them should interfere with "free speech." By free speech where the anti-Inperialists demand for the murderous Filipinos.

A XEW phase of the doctrine of the "consent of the governed"; is mildle to the governed"; is mildle to the governed of the consent o

cordingly.

A Democratic member of the covernel is mildly agitating the pupils of one of the schools of Elkhart, Ind.

Recently a class in the room took up the study of civil government, and one of the boys thought it would be appropriate to adorn the walls with portraits of President McKinley and the property of the control of the boys thought it would be appropriate to adorn the walls with portraits of President McKinley and the work of the control of the boys thought it would be condingly.

A Democratic member of the Board noticed the pictures when he visited the school, and diplomatically informed the Principal, who teaches in another room, that insomuch as "there had been complaint" at this displayof partisanism it would be best to request the teaches to remove the pictures.

The Principal conveyed the message to the teacher to remove the pictures.

The Principal conveyed the message to the teacher to remove the pictures. The Principal conveyed the message to the teacher to remove the pictures. The Principal conveyed the message to the teacher to remove the pictures. The Principal conveyed the message to the teacher to remove the pictures. The Principal conveyed the message to the teacher to remove the pictures. The Principal conveyed the message to the teacher to remove the pictures. The Principal conveyed the message to the teacher to remove the pictures. The Principal conveyed the message to the teacher to remove the pictures had been buried to the picture with the principal conveyed the message to the teacher to remove the pictures. The Principal conveyed the message to the teacher to remove the pictures. The Principal conveyed the message to the teacher to remove the pictures. The Principal conveyed the message to the teacher to remove the pictures and the pictures an as the pictures had been hung in any thing but partisan spirit, the teacher herself coming from a long line of Democratic ancestors and naturally entertaining pro-Democratic opinions. She decided to leave the matter to the pupils themselves. She first asked all Republican pupils to stand, and all the first of the forey-old arose. She then stated that it had been sugseted that the pictures be removed, and asked all in favor of the removal to indicate the fact. Only one pupil control of the forey-old arose, the stated that it had been sugseted that the pictures be removed, and asked all in favor of the removal to indicate the fact. Only one pupil arose in the forey-old arose, the first of the forey-old arose, the first old arose in the firs

SENATE PASSED IT

The United States Authorized to Defend Its Interest in the Nicaraguan Canal.

HAT-PAUNCEFOTE TREATY AMENDED.

The Sailot Was Taken by Yeas and Nays and Went Through by a Vote of 65 to 17

Varions Other Amendments I celved Attention in the Evecu tive Session, But None Were Acted Upon.

Acted tpen.

Washington, Dec. 14.—In necordance with previous agreement the senate in executive seeslot took at cote at 3 o'dock Thursday on the treaty authorizing the United States to defend its interests in the eand. The vote was taken by yeas and mys. 50 votes boling east in favor of the amendment and 17 against 18. The megatite votes were as follows:

Baird, Beverlage, Fryc. Foster, Baird, Beverlage, Fryc. Foster, Wellington, Worry, Stewart, Tilliams, Mangan, Norry, Stewart, Tilliams of the Control of the Control of the Control of the State of the Control of the State of the Control of the State of the Control of the Senate for u brief time, but none of them was acted upon.

The Amendment which was amendment which was amendment to be inthe committee amendment to be inserted after section seven of the artiele 2 of the treaty and is as follows:
"It is agreed, however, that uone
of the immediately foregoing conditions and stipulations in sections
aumbered 1, 2, 5, 4 and 5 of the article shall apply to measures which
sary to take for securing by its own
orress the defense of the United
States and the maintenance of public order."

lle order."

The committee amendatent no sconer had been adopted than various senitors took the floor to suggest further amendments. The amendment which probably attracted most attention was offered by Senator Elkies, and is as follows:

tention was offered by Senator Ellis, and is as follows:

Another Amendment Proposed.

"Nothing In this treaty shall be construed to prevent the United States from conquiring sufficient security and sovereignty, or to prevent it from building, operating, the said canni (referring to the proposed Nicaraginas canal) or for any other purpose that the United States may deem for its best interests.

Other amendments were suggested by Senators Tillman, Allan, Money and Thurston, Senator Thurston's States may defend the canal and Senator Tillman and the committee amendment adopted by Thursday's vote apply to all the provinces of article 2.

Fortification of the Canal.
